

Kalpavriksha

Nature Care

ABOUT US

Kalpavriksha encapsulates the finest quality skincare ingredients, Inspired by Nature.

The company is run and managed by well-known experts having sound and deep knowledge in the same field. The management has evolved and innovated the ways to connect the modern Cosmetics with the ancient ayurvedic and natural. Products vary from skin to skin and are suggested by expert consultations at very low cost and are result oriented with the commitment of No side effects if used as directed.

VISION

We believe every botanical product must contain only natural & organic ingredients, sustainably sourced from organic farms protecting the soil and never utilize harmful chemicals. It also ensures that all raw materials have been carefully extracted and gently processed to retain all their natural goodness and potency.

MISSION

Our mission is to provide safety as well as beauty which fulfill needs of customer who seeks natural beauty products effectively. We believe that you should never feel less than 100% that your skin helps you feel beautiful.

SHOWER WASH

Kalpavriksha's much-loved, Shower Wash is specially designed for Sensitive Skin. Enriched with Aloe Vera, Neem, Honey, Olive Oil, Almond Oil, Coconut Oil and Shea Butter It cleanses and purifies the skin with the anti-microbial properties of Neem. Aloe Vera soothes any inflammation and nourishes the skin along with oils of Coconut, Almond and Olives. It balances oil production and thereby improves skin texture. This Ayurvedic Shower Wash is suitable for all skin types.

Benefits of SHOWER WASH

- Nourishing & purifying
- Hydrates the skin
- Sulphate free cleanser

UBTAN

An ubtan is a powdered mix of Ayurvedic herbs and natural ingredients. In other words, it's a homemade paste which brings lustre to your skin. This multi-purpose Ayurvedic remedy can be used as face or body mask for clean, clear and glowing skin.

Benefits of UBTAN

- Naturally glowing skin
- Lightens skin tone
- Tan removal
- Dark patches removal
- Acne removal
- Reduces facial hair
- Extra shining and luster to skin
- Anti-ageing

HAIR OIL

We live in a polluted world which is not hair friendly. In this rushed routine, we tend to ignore hair grooming, but it matters. It's wise to devote some time from our busy schedule for hair's health. People face multiple problems like hair fall, dandruff, prematurely grey hair etc. It's time to stop worrying and take action.

Kalpavriksha's herbal hair oil is a blend of Bhringraj, Jatamansi, Amla, Hibiscus, Rosemary, Almond, onion, neem, sesame oil and other herbs. It is a traditional Ayurvedic recipe for healthy and shiny hair. It's natural ingredients makes it perfect for hair growth and their deep nourishment.

Why Kalpavriksha herbal hair oil ?

- Improves Hair growth
- New hair growth in bald area
- Prevents hair fall and split ends
- Anti dandruff
- Natural shining to health
- Improve eye sight
- Prevents early hair greying
- Treat scalp folliculitis

HAIR CLEANSER

Kalpavriksha Hair Cleanser is specially designed for dry, damaged and chemically treated hair. This hair cleanser, enriched with Amla, Honey, Muleti, Shikakai, Aloe Vera, Neem, Brahmi, Japapatti and Shea Butter Extracts, deeply nourishes the scalp, helps in reducing hair loss and conditions the hair. Organic Black Sesame Oil maintains natural hair color.

Benefits of HAIR CLEANSER

- Gently cleanses without drying out the scalp
- Nourishes scalp to reduce hair loss
- Repairs dry, damaged and chemically treated hair
- Free from SLS/SLES (Sulphates), Parabens, and Petrochemicals

GLYCERIN SOAPS

Commonly referred as **Glycerin natural Soaps - Transparent soaps** are gentler on skin than most soaps, making it a good choice for people who have particularly dry or sensitive skin.

Especially beneficial if you experience drying conditions like:

- Acne
- Dermatitis (eczema)
- Dry Skin
- Psoriasis
- Rosacea

Presence of Glycerin in soap can help even out your skin tone and texture. This may reduce the appearance of fine lines and other surface blemishes.

FACIAL KIT

The first ever launched soap based organic facial kit where soaps are used step by step given on the backside on the luxurious box
